

Your neighbors at 1032 Dimmocks Mill Rd., the Hare Krishna cult. I was used and abused by the cult leader as a baby to create their cult center, then they tried to kill me and robbed me and my family.

Born in the *cult of the Hare Krishna's
(ISKCON Inc., and related organisations.)

Behind the scenes of temples for dressed up dolls, costumes, and vegetarianism is a cult of child prostitution, child rape, victim murder, human trafficking, and slavery.

My father suffered brain and ocular damage from early CRT televisions. He developed schizoaffective disorder and accompanying psychopathy, and social disorders. As a young adult he was tricked into the cult. My father prostituted the previous children of his wife to property owning cult members and rich Indians, and did the same with me.

ISKCON Inc. built a school system by the directions of the cult's ***founder. The education focused on creating homeless beggars (a tradition in child-slavery/ prostitution/ begging based Indian cults.) They tortured children, toddlers, in a boot camp-like system of physical pain and self-hate. The children were dressed in costumes, the girls taught to dance, and all were prostituted to cult members in daily 5am shows and weekend events. Paying cult members, and Indians who know the system, took possession of children, mostly girls. Boys not selected by their own parents were discarded and abandoned and tortured, killed, led to homeless orphan lives and/or early death in the United States; I witnessed.

We had an international ***lawsuit headed by Windle Turley that began in the late 1990's. It took decades to conclude. The cult directors, also my father, fought tooth and nail to deny victims compensation. Most homeless victims and forgotten orphans never received enough to house them. Some rejected victims, who I knew, never had a chance to add their names to the lawsuit, and some died homeless rejected boys; I witnessed.

My father is a psychopath. He is a person of import in the Hare Krishna cult, as an entertainer of Indian fantasy fiction, shiny temples, costumed dolls and victim subduction. He profited from human trafficking, slavery, established child slave-education schools and put me there. He preaches the silencing, robbery and murder of victims in the name of the cult's founder and temple dolls. He defends the organisation without sympathy. I know. The victims know. The uncompensated, the survivors know. ISKCON Inc. and the Hare Krishna's are a satanic cult of child prostitution, murder and crime as preached by their ***founder and practiced to this day. The symbols of the Krishna deity are the symbols of infant and child sexual prostitution. The ISKCON Hare Krishna cult has a shiny clean facade and show to entertain people. In fact it is a cult of a system for crimes against children, slavery, human trafficking, murder & theft for the pleasure of shiny dolls and guru criminals maintaining their homes and robbing their relatives.
