FROM YOUR **HARE KRISHNA** NEIGHBORS

Behind the temples for dressed-up dolls, costumes, and vegetarianism is a cult of child prostitution, rape and exploitation, theft, murder, human trafficking, and slavery.

ISKCON Inc., the Hare Krishna cult, built a school system to manufacture homeless beggars, a traditional system in child-slavery, prostitution and begging-based Indian cults. Children, toddlers, were tortured in a boot camp-like system of physical pain and self-hate. Children are dressed in costumes and prostituted to cult members in daily 5am shows and events. Paying cult members take possession of children, mostly girls. Boys not selected by their own parents are raped of everything in their lives, robbed of their homes and family relationships, money and property, discarded, shunned, socially and culturally alienated, given only the option of cult slavery. First being tortured and taught cult methods of suicide, some murdered by converts or trespassed and sent to wonder, robbed by Krishna gurus of their home and property, family connections and money, they are silenced by their parents and cult members and left to die.

Krishna Kanti's guru father, an ISKCON Hare Krishna guru, is a psychopath and sociopath. He prostituted the children of his wife in the ISKCON Krishna cult, and did the same with Kanti. His sister was sold at 13 years old, and his brother was taken from his family, used for marketing, then put in a hole in the woods, infested with parasites and left to die for Hare Krishna's satanic beliefs in sacrificial suffering and suicidal death. The boys were taught cult methods of suicide, tortured, robbed of family through isolation, robbed of homes and humanity and left homeless - for dead. The guru took all the **money**, laundered it, and purchased more property for himself.

We had a *lawsuit** filed by Windle Turley, in Dallas Texas. The cult directors fought **tooth and nail** to deny victims compensation. Homeless victims never received enough to house them; tortured and robbed to fulfil satanic Krishna fantasies of wandering starving ascetics. Children are **taught to endure torture, isolation, and abandonment, to blame themselves, disappear, and seek suicidal death**. The gurus get the property, valuable family ties and **money** for themselves.

Kanti's father, the Hare Krishna guru, is an entertainer of Indian fantasy fiction, shiny temples, costumed dolls, dancing girls, child prostitution and victim subduction. Gurus and cult leaders profit from human trafficking, slavery, child slave-education schools, child prostitution, and inheritance and estate theft from their parents and children and families of converts. It's a method. The gurus defend the organisation without sympathy. I know. The victims know. The uncompensated, the survivors know. ISKCON Inc. and the Hare Krishna's are a satanic cult of child prostitution, murder and crime as preached by their ***founder and practiced to this day. **The symbols of the Krishna deity are the symbols of infant and child sexual prostitution**. The ISKCON Hare Krishna cult has a shiny clean facade and show to entertain people. In fact it is a cult of a system for crimes against children, slavery, human trafficking, murder & theft for the pleasures of perverts and gurus, for **money** and property; the Hare Krishna criminal strategy.
